

Indiana Department of Education

Dr. Katie Jenner, Secretary of Education

Locally Created Pathways

As one option for satisfying the Postsecondary-Ready Competencies required by Indiana's Graduation Pathways Policy adopted by the Indiana State Board of Education in December 2017, Locally Created Pathways are locally determined competencies and/or assessments that demonstrate a student has the necessary knowledge and skills to be successful after high school. This library is the catalog of all State Board of Education approved Locally Created Pathways.
